3634

DATE MAILED: 06/29/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

***Response to Amendment***

The reply filed on April 11, 2005 is not fully responsive to the prior Office Action because the fax transmission has a plurality of horizontal lines which appear to have been created during the transmission of the response to the Patent and Trademark Office. Accordingly, it cannot be determined if some of the text in the claims was intended to be deleted or if the strikethrough lines were merely created during the transmission of the response. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Strimbu whose telephone number is 571-272-6836. The examiner can normally be reached on Monday through Friday 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Chilcot can be reached on 571-272-6777. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
